INTRODUCTION

The Nillumbik Mudbrick Association Incorporated is proud to release its new trade guide. This publication boasts an array of trades, suppliers and services that will accommodate all your mudbrick needs from design through to completion, including new homes, renovations, extensions and any maintenance requirements. Nillumbik has a proud history as Australia's premier mudbrick region. The Nillumbik Mudbrick Association is ensuring that this great tradition of mudbrick has a strong future. This trade guide, our third edition, is an essential handbook for anyone contemplating mudbrick construction.

COMMITTEE MEMBERS

Ryan Peters	President	Barry Pearce
Robin Bliem	Vice President	Louise Dixon
Michael Young	Secretary	Craig Bayett
Andrew Evans	Treasurer	Chris Gegory

naturaldirection

building homes for a sustainable future

Natural Direction is a leader in sustainable housing design and construction. Our aim is to provide homes that are efficient, whilst creating an environment conducive to life. A few simple choices early in your project can make your home more comfortable and also deliver savings on running costs and emissions.

Phone: 0417 456 662
info@naturaldirection.com.au
www.naturaldirection.com.au

There are over 2,000 mudbrick homes across Nillumbik. Mudbrick is a very important local industry.

House & Garden

Greg

- Transforming your house and garden
- Enhancing all the characteristics
- Artistic concepts and design

Combining tradition with modernizing of your home:

- More light: large windows & doors bifold etc
- Roof areas: double glazed
- Utilizing timber, glass, steel & stone throughout: eg kitchens, bathrooms, bedrooms, living areas
- Out doors: using many complementing mediums

Catering for houses built of:

- Mudbrick
- Colonial Handmade Brick
- Rendered Brick
